General guidelines for applying the Annual plan:

- Adapting the semester plan according to the school's annual calendar and the curriculum used.
- Activate all activities included in the lessons if possible.
- Commit to solving learning resource exercises and providing continuous feedback to students.
- Preparing the specifications for the mid- and end-of-semester tests is done by the school according to the dates specified for each school, based on its approved annual calendar and based on the approved evaluation policy for each school. General instructions for the specifications will be sent from the administration of private schools and kindergartens.
