# MIS STUDENT UNIFORM REQUIREMENTS

2023-2024

## Introduction

It is our school policy that all students wear school uniform when attending school, or when participating in school-organised events outside normal school hours. Uniform can be bought at local shops including supermarkets. In addition, Ascot Uniforms stock most items of uniform.

## Aims

We believe that a school uniform is important because it:

- Identifies the students with the school
- Helps to create a sense of community and belonging
- Gives a sense of pride and common purpose
- Looks smart
- Makes students feel equal to their peers in terms of appearance
- Is designed with health and safety in mind

We ask that all students wear the uniform and encourage them to maintain a good standard of clean and tidy dress in school.

## Policy

The uniform requirements for EYFS, Primary and Secondary will be published on the school website each year. Parents will be reminded of the uniform requirements at regular intervals throughout the year.

Any items supplied by the school (ties, book bags) will need to be replaced at the parent's expense if lost or damaged.

In the case of any required arbitration, the final decision of what is acceptable remains with the school. If a student's appearance is deemed inappropriate by the school principal and or heads of school, parents will be contacted to resolve the issue.

For students, failure to comply with uniform requirements will result in school age-appropriate sanctions (*e.g., break time or afterschool detention*)

## Monitoring and Review

The uniform requirements will be reviewed annually.
